Subject: EPA comments on WHO Draft Report
Attachments: WHO_Comments on Draft Report_ Jan2016_EPA v2.docx

Hi Marie-Eve,

Thank you for the opportunity to comment on WHO's draft report from the meeting in Bonn last September-October. Our comments are attached in the template you provided.

Overall, we thought the draft was very well done and a nice summary of the meeting.

Ex. 5 Deliberative Process (DP)

Please let us know if you have any questions about any of our comments.

Thank you,

Tom
